

Serial No.: 10/796,726  
Inventor(s): Ramesh Keshavaraj

U.S. PTO Customer No. 25280  
Case No.: 5714

### REMARKS

#### *The Pending Claims*

Claims 6, 11, 13 and 16 are pending. Claims 1-5, 7-10, 12, 14-15 and 17-23 have been canceled without prejudice or disclaimer. These canceled claims may be pursued in a continuation application, and applicant reserves that right.

#### *Summary of the Office Action*

The Office Action rejected claims 1-3, 5, 7, 8, 10, 12, 14, 15, 19, 22 and 23 under Section 103(a) as unpatentable over Banba, Bauer, Bosgieter (one combination), and also a four-way combination of these three references with Sollars. Applicant traverses this rejection as applicants believe the rejected claims indeed are patentable. But, applicant will save its arguments against these references for a potential continuation patent application, and for purely administrative reasons, applicant at this time cancels such claims from this application.

#### *Allowable Claims*

Claims 6, 11, 13 and 16 were objected to, but indicated allowable if rewritten in independent form, including all of the limitations of the base claim and any intervening claims. Applicant has adopted the suggestion of the Examiner, and rewritten claims are provided above.

#### *Summary*

It is respectfully requested that the application be passed to allowance, as all the pending claims (6, 11, 13 and 16) have been indicated allowable, and rewritten as requested by the Office Action.

**Fee Authorization:** In the event that there are additional fees associated with the submission of these papers, Applicant hereby authorizes the Commissioner to
